

Student Testimonials

- ~ I really liked the online textbook for this class. It was well written and easy to use, and interactive! It had a lot of great advice that I will reference in the future.
- ~ This is a very meaningful class. It really helps you look at what you want to do with your life and makes you sit down and think about the future
- ~ The content is easy to read and easy to understand.
- ~ It was helpful because the quizzes and questions refreshed my memory about what I had just read.
- ~ CollegeScope opened my eyes about my personality type and what types of careers would be best for me.
- ~ CollegeScope is a lot better than a book because it's easy to access, a lot more affordable and better than carrying a book to school every day.
- ~ I think CollegeScope was very beneficial to my college success and is an ideal guide for any student entering college. It was also cheaper than the average college textbook.
- ~ The information was constructed to fit my needs and personality type.
- ~ I actually liked CollegeScope a lot because I hate carrying books. I was able to do my work at a friend's house even if I didn't have my book and binders.
- ~ I can always refer to it later in life for guidance and to see how I have changed.
- ~ I really enjoyed the personality tests. I felt that they were helpful and informative. I also liked researching different careers; especially finding out the details about the career I am looking into.
- ~ Through learning about myself (my strengths and my weaknesses), I now see myself in a new way. I am more secure about who I am and what I am capable of doing.
- ~ I liked that the material that we covered was helpful for all aspects of my life, not just my education. I learned many things that will help me to live a healthier, happier life. I also feel better equipped to build meaningful relationships. This has been a very positive class for me.
- ~ I loved the positive thinking and motivational exercises in this class. I already practice this philosophy and it was great having it reinforced. It was awesome
- ~ It showed me a new perspective on life-that it is never too late to achieve your dreams.
